## HELPING HANDS DONOR WALL PARTNERSHIP PROGRAM

The **Helping Hands Donor Wall** partnership program provides an opportunity for our community to support the Jamaican Canadian Association Alberta’s building renovation project. Your generosity will help us do more to build, engage and share in Calgary’s diversity. The project, when completed, will serve persons of all ethnicities. Donors will be recognized for their support based on the table below. The aggregated value of donations of both cash and kind determine the donation level.
